ARI Honors Dealers Auto Auction of Chattanooga

Chattanooga, TN - Dealers Auto Auction of Chattanooga is proud to announce they were awarded the South East Regional Auction of the Year award for 2017 from ARI. This is the first time that Dealers Auto Auction of Chattanooga has received this award. DAA Chattanooga is part of the Dealers Auto Auction Group, which has 6 auction locations in the Southeast including Dealers Auto Auction of Memphis, Dealers Auto Auction of Murfreesboro, Dealers Auto Auction of Huntsville, Dealers Auto Auction of Jackson, Dealers Auto Auction of Mobile and Dealers Auto Auction of Chattanooga.

Doug Rodriguez, General Manager of DAA Chattanooga commented, "We are extremely honored to receive this award from a great business partner. Our team has worked hard to ensure that all of our customers receive the best service we can offer".

Auctions receiving this Regional award from ARI, must prove their performance every day of the year. ARI has many different benchmarks for each auction partner which include days to sell, days to write a condition report, % to Black Book, and days to fund, of which DAA Chattanooga has excelled. The ARI Remarketing staff hosted an awards dinner in April to acknowledge this performance.

Chris Clarke, Manager North American Remarketing of ARI said, "We are very proud of the accomplishment that DAA Chattanooga has achieved. They work hard on our account, and it shows in their performance".

"We value our partnership with ARI and are proud of this recognition," said David Andrews, Owner and CEO of Dealers Auto Auction Group. "We look forward to a continued partnership and an even more successful year ahead".

Partha Ghosh, Director of Vehicle Supply Chain and Remarketing for ARI added, "We put high expectations onto our business partners and are proud of all of the auctions that have excelled at winning these awards".
