

2012 NAAA/CAR Conference – Southern Chapter All Member meeting

The meeting was called to order by President Mike Browning. He welcomed everyone and reminded all of the conflict of interest and anti-trust policy.

Introductions of the board members followed.

Motion to waive the reading of the previous meeting's minutes and the secretary's report was accepted.

The Treasurer's report was given, reviewing the expenses as well as the current status of the chapter's account.

Old Business:

Tommy Rodgers reported that ICar was not interested in doing a possible Condition Report Training Course – that is was not cost effective. Tony Moorby offered to speak with another company that might be interested. John Poteet stressed the importance of this training.

Charlotte Pyle voiced the need for more members to get involved with the chapter. John Poteet asked here to talk about the difference between the Disney course and other training classes. She explained the agenda was geared to the auction industry.

New Business:

Tony Moorby commented on the changing state of our industry, particularly that the larger auction groups and the internet are "leaving things open to retail". He suggested that the association should look at the charter as the industry evolves that the NAAA evolves as well. Mike B agreed to share this with the National Board. Tony closed with urging more people to get involved.

Chuck Redden of Auto Tec (Auction Access) was introduced and begun his presentation. Topics included:

- Tech improvements with Auction Access
- Electronic Title process
- Indiana wholesale issues

Mike B shared the upcoming meeting dates.

Mike B adjourned the meeting.
